

Technical Advisory Group

AGENDA ITEM: TAGCP01-2

October 3-4, 2019 - London, United Kingdom

Background to the IFR4NPO Project

Summary	The presentation will provide the background and history of the IFR4NPO project and standard setting considerations for the not for profit sector.
Purpose/Objective of the paper	To ensure that there is a common understanding among TAG members about the genesis of the IFR4NPO project. This will form the basis for subsequent discussions about the project objectives and scope.
Other supporting items	None
Prepared by	Karen Sanderson

Actions for this meeting	<u>Note</u> the background.
