IFR4NPO

Which financial reports?

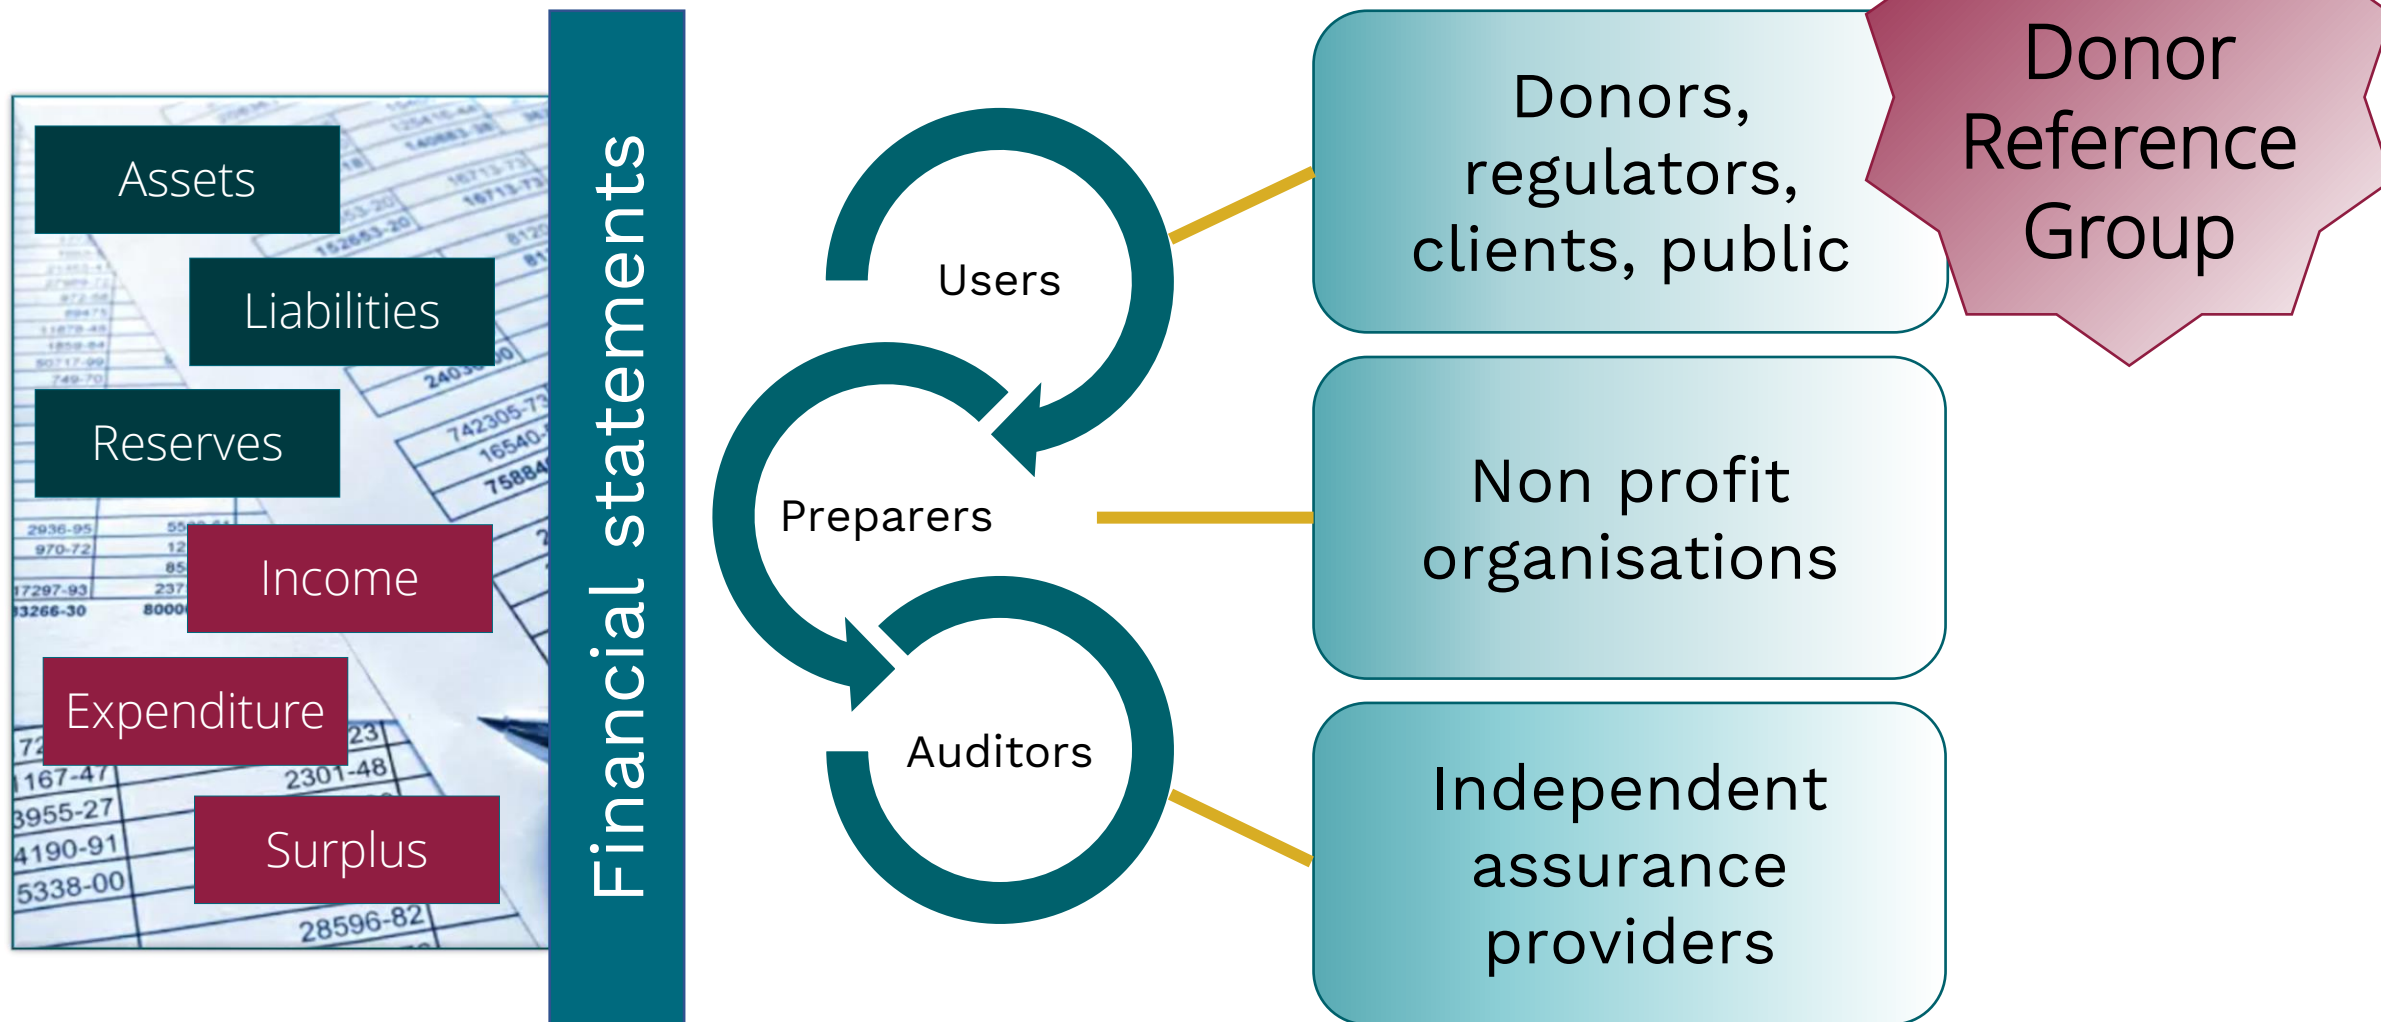

IFR4NPO Project focus is GPFS,
(and accompanying narrative
reports)

Another project is working to
harmonise donor project
report formats

Which stakeholders?

What will IFR4NPO deliver?

Current Problems

- No international financial reporting standards for NPOs
- Inconsistent financial reports
- Don't meet funders' needs
- High costs – funders and grantees
- Lack of transparency
- Double funding fraud

Solution:

The IFR4NPO Guidance

- Country and funder adoption decisions

Future Outcomes

- ✓ Improved usefulness, transparency and consistency of NPO financial reports
- ✓ NPOs able to demonstrate capacity and attract funds
- ✓ Funders better able to reliably assess NPOs
- ✓ Simplified audit assurance provision
- ✓ IFR4NPO Community – global network of NPO stakeholders

Requesting feedback

Consultation Paper	Audience	Presents	Requests	Basic form of questions
Part 1 – Framework level issues	All stakeholders	Each chapter presents a proposal	General Matters for Comment (GMCs)	Do you agree with the proposal? If not, why not?
Part 2 - Specific accounting issues	More technical – Accountants are more likely to access it meaningfully	Each section presents a description and alternative treatments	Specific Matters for Comment (SMCs)	Do you agree with the description and alternatives? If, not why not? Which alternative do you prefer and why?

Part 1: General Matters for Comment

NPOs – chapter 1

Do you agree with the broad characteristics of NPOs proposed?

If not, why not? Which alternative characteristics would you propose, and why?

Stakeholders – chapter 2

Do you agree that external stakeholders require information on the NPO's achievement of objectives, economy and efficiency, compliance with restrictions and regulations, and longer-term financial health?

If not, why not? What alternative areas would you propose and why?

Guidance – chapter 3

What challenges, if any, do you foresee if the Guidance is accrual-based?

Indicate what other approach or approaches might meet the Guidance objectives and explain why?

Part 1: General Matters for Comment

Existing frameworks - chapter 4

Do you agree with the criteria that have been used to assess the suitability of the frameworks?

If not why not and what other criteria do you believe could be used and why?

Proposal - chapter 5

Do you agree with the model proposed? If not, what alternative do you suggest?

Do you have any concerns about using IFRS for SMEs as the foundation? Of so, what are they?

Consultation Paper – Part 2

Part 2: Specific accounting issues (examples)
